Assignee's Docket No.: ZM0582

ASSIGNMENT

I, the below-named inventor for good and valuable consideration, receipt whereof is hereby acknowledged, do hereby assign to ZIMMER TECHNOLOGY, INC., a Delaware corporation, having an office at 150 N. Wacker Drive, Suite 1200, Chicago IL 60606 (hereinafter referred to as "Assignee"), the entire right, title and interest in the United States of America, its territories and possessions in and to any and all of the invention and discoveries in, CASE HARDENED ORTHOPEDIC IMPLANT as described and claimed in the application for Letters Patent of the United States of America, executed by me on _____, in and to any and all patents that issue on the aforesaid patent application, and in and to any continuations, reissues and renewals thereof, the same to be held and enjoyed by the assignee, its successors, assigns or other legal representatives, to the full ends of the terms for which all patents therefor may be granted, as fully and entirely as the same would have been held and enjoyed by me if this assignment had not been made.

And I hereby agree that I will at any time, upon the request and at the expense of the assignee, execute and deliver any and all documents that may be necessary or desirable to divide, continue, perfect, confirm, import or register and to reissue the title to the foregoing inventions and discoveries, patent or design applications, and patents and reissues and renewals thereof in the assignee, its successors, assigns or other legal representatives, and we will make all rightful oaths and do all lawful acts requisite for procuring the same or for aiding therein, without further compensation, but at the expense of the assignee, its successors, assigns or other legal representatives.

I hereby further assign on the same terms and conditions as aforesaid all of my right, title and interest in all countries other than the United States of America including the right of priority under the International Convention for the Protection of Industrial Property and under any other international arrangement to which the United States of America is now or hereafter becomes a signatory, in and to the aforesaid inventions and discoveries to Zimmer Technology, Inc., a Delaware corporation having offices at 150 N. Wacker Drive, Suite 1200, Chicago, IL 60606.

I also hereby assign in all countries of the world any and all of my right, title and interest in and to any and all copyright property appertaining any drawings or other materials relating to the tangible means of expression and illustration of the said inventions and discoveries.

This document has been prepared in the English language at the request of the assignor.
